FACT SHEET

Immigration Services: The LL.M. Law Group provides immigration services to companies and individuals located in the United States and abroad for all types of work, investor, visitor, student, and family visas. This includes both temporary and permanent visas. The LL.M. Law Group also assists lawful permanent residents to become U.S. citizens.

Rates for Immigration Services: We offer a negotiable flat fee for all immigration services. This means that we work with our clients to arrive at a fair price for the services requested.

Immigration Consultation: We provide consultations and services regarding all immigration issues in person, by e-mail, and/or by phone.* The charge for a consultation is \$125.00. If a client decides to retain our law firm after the consultation, the consultation fee will be credited toward the cost of the case.

Retainer Agreement: All immigration cases are reviewed on an individual basis by our licensed attorneys. The LL.M. Law Group retains clients only after following specifically outlined engagement procedures.

Other Expenses: Expenses such as application fees payable to the Department of Homeland Security, United States Citizenship and Immigration Services, and any other federal or state filing fees, shipping fees, long distance and international phone calls will be billed separately unless otherwise agreed to in writing.

Languages: The staff and associate attorneys are conversant or fluent in Spanish, Russian, Mandarin Chinese, French, Italian, German and Taiwanese and thus have the ability to explain immigration benefits and procedures in the language of the foreign national seeking U.S. immigration benefits. Immigration applications, however, will be prepared in English.

Payment Options: We accept cash, checks, and credit cards online through PayPal.
